## BIG SCRAMBLE FOR SCHOOLS

People of Rural Districts Desire Accommodations.

## MANY APPLICATIONS

Provision Made for Sixty-Five New Schools in This Nation, Making a Total of Over 200.

There is a tremendous scramble in the rural districts of the Territory to secure schools that will be maintained by the appropriation made for the purpose of establishing new schools for the whites and Indians according to the provisions of the last congress. The office of the superintendent and supervisors are flooded with applications and persons who appear in person to press their claims. The work must necessarily progress rapidly in order that the schools may be opened by the first of September or the 15th of that month at the latest, and the list of new schools is being made out rapidly. The complete list for the Cherokee Nation has been made and shows 65 new schools with an aggregate of 4,552 school children, as shown on the applications for schools. The names of the new Cherokee schools and the postoffices nearest their location follows:

Riggs Chapel, Chelsea; Prairie View, Wagoner; Nix, Centralia; Riverside, Wagoner; Lee, Wann; Owassa, Owassa; Waller, Chelsea; Fair Hope, Lenap; West Cabin, Miles; Justus, Claremore; Dewey, Dewey; Wimer, Wimer; Bald Knob, Pryor Creek; Alliance, Allamore; Delaware, Delaware; Grant Mount, Kennison; Elliott, Elliott; Upper Big Creek, Hudson; Bushyhead, Bushyhead; Mingo, Dawson; Capps, Lenap; Sunshine, Kennison; Eagle, Eagle; Verdigris, Verdigris; Chapel, Chapel; White Water, Grove; Zena, Zena; Eucha, Eucha; Carter, Afton; Mt. ### Owl Club Disbanded.

Members of the Owl club have decided to abandon their organization. The funds in the treasury are ample to pay all outstanding indebtedness. The reason given for disbandment is that there is not room enough for two social clubs, and many members belonged to both, and many members of the club have left the city.

### Section Foreman Fined.

Martin Curry, section foreman of the Frisco, was fined \$10 and costs, amounting to \$11.50, in the Mayor's court today for permitting the decayed remains of a dead horse to lie along the right-of-way, creating a nuisance. He was arrested by Marshal Ridenhour.

### Heavy Corn Crop.

Joe Davis has returned from a week's stay at his farm. He is enthusiastic over the prospects of a heavy corn crop and says he never saw look better at this period of the season before in his life.

### Rheumatism.

When pains or irritation exist on any part of the body, the application of Ballard's Snow Liniment gives prompt relief. E. W. Sullivan, Prop., 1144 N. House, El Reno, O.T., writes, Aug. 6, 1902: "I take pleasure in recommending Ballard's Snow Liniment to all who are afflicted with rheumatism. It is the only remedy I have found that gives immediate relief." Price, 50c, \$1.00. At People's drug store.

## CAPITALISTS HERE.

Party of North Carolinians Inspecting Our Resources.

J. A. Nichols, a coal mining operator, who has large interests at South McAlester, his brother C. A. Nichols, J. M. Ramsey and Henry Lunsford, the latter three being residents of Barnard, North Carolina, are at the Cobb.

The gentlemen are inspecting the city and surrounding country with the view of investing largely in real estate. They express themselves as being very much impressed with the natural advantages of this section of the Territory.

### Picnic Near Woodley.

The Anti-Horse Thief Association lodge No. 207, with headquarters at West Cabin school house near Woodley will give a grand two days picnic August 18 and 19. The general public is invited to attend, especially the members of the association from other parts of the territory. The committee of arrangements, M. South, J. W. L. Bradley and M. N. Crawford announce that there will be "plenty of ice cold water to drink and a Federal marshal to spill the booze and take charge of the candidate for further instructions."

### The Wrecked Train.

The cars of the Meteor train which were wrecked nine miles west of here on the Frisco road last Thursday morning passed through the city this morning and attracted much attention. The tender that caused the wreck was on a flat car while the other cars were on their own trucks. All were more or less damaged and one chair car had nearly the entire part of one side and roof torn away. They were taken to the shops at Springfield.

### Three Thieves Jailed.

Deputy Marshal Henry Kerr this morning jailed Pearl Miller, Earnest Querry and Arthur Martin who are under bond on charges of stealing a watch and other jewelry from W. H. Waters at Bartlesville.

## A MAJORITY RIGHT GRANTED

Fine Law Point Involved in Determining Minor's Petition.

Lulu M. Tyner a 16-year-old girl of Bartlesville, has been granted majority rights by Judge Gill for the purpose of entering into a contract to lease a portion of her allotment to John T. Ritts for the purpose of sinking wells and producing oil.

The girl presented a petition and it involved a nice question of law. The Arkansas law gives the court the right to confer the rights of majority but this chapter was never adopted by congress. Lawyers differ in opinion as to whether the right was carried over to this territory by implication. Some attorneys claim that the court ought to have the right to confer majority rights to minors in certain cases while others claim that in so much as there was no chapter compiled in Mansfield's digest conferring the rights in Arkansas the Indian Territory courts are without such jurisdiction.

In many instances the courts have exercised jurisdiction and in many instances have refused to entertain such applications. In this instance the court, exercising chancery powers, and finding that it was to the best interest of the minor whose majority is approaching made an order permitting the minor to go into court and for a particular purpose to enter into contracts.

Judge Gill ordered the oil company to pay Miss Tyner a bonus of \$1,000.

## REYNOLDS IS YET IN JAIL

Relatives Visit Insane Man—Officials are Dilatory.

Marsh Reynolds, the unfortunate insane man who has been adding to the troubles of the prisoners confined in the Federal jail for a week past by continually praying, preaching or singing, was visited by his brother-in-law and nephew Chad. Brown of Fort Scott and E. S. Brown of Chelsea today. Reynolds was brought down from Bartlesville and Marshal Darrough has since done all in his power to have him sent to an insane hospital under the act and appropriation of the last congress. The insane man recognized his relatives but they could obtain no intelligent response to their questions. He was confined in 1870 for six months but seemed to recover except at long intervals until a month ago. His is a religious mania.

It will be necessary for the officials of the Indian Inspector's office at Muskogee to act before Reynolds can be given proper treatment. The papers were sent to them a week ago but they have not acted, as yet.

## PROSPECT WELL DISPUTE.

It is Asserted That the Contractor Has Sunk a Crooked Hole.

The disagreement between the contractor and promoters of the east side prospect well has not been adjusted, although several conferences have been held. It is understood that the well driller claims that he has completed his contract by going down to Mississippi line rock. This the promoters deny. The contractor wants more money and some of the promoters assert that they "are being held up" and that the contractor has sunk a "crooked" hole and wants to get out from under with as little loss as possible. By a "crooked" hole it is meant that the drill has become deflected and did not go down straight, making it impossible to case where the hole is not perfectly vertical.

## MORRIS KNIGHT HELD.

Offered No Defense to the Charge Made by J. A. Long.

The preliminary examination of Morris Knight, charged by J. A. Long with assault with intent to kill, was held before Commissioner Adams today. Long, in a dramatic manner, repeated his story as told in Friday's Chieftain. He was corroborated in the essential statements by A. H. Wheeler, who lives near Wimer, but who did not state his occupation or what business he had at the depot at 4 o'clock in the morning, and Charley Cox, the night waiter at the Gem restaurant. Mr. Knight was not represented by an attorney. He offered no testimony and was held to answer, his bail being fixed at \$1,000, which was promptly furnished by Pryor-Farley.

### Cole Younger Has Left.

Cole Younger, the ex-bandit, who spent a couple of weeks in Vinita has gone to Muskogee where he will remain for a few days. Mr. Younger will then go to his home at Lee Summit, Mo., for a short stay after which he will become the guest Zach Mulhall, at the World's fair.

All parties knowing themselves indebted to W. I. Davenport & Son are requested to call and settle.

## Badgett-Sanders

Mercantile Company

"I enjoyed good health until about two years ago when I noticed my back began to ache frequently; it became sore and lame and headache soon added to my misery. I found that my general health diminished. I became thin and weak and nervous, having severe pains at regular intervals," writes Mrs. Augustus Emory, Treasurer New Century Club, 34 Dean Street (Roxbury), Boston, Mass. She continues: "My work which before had seemed an easy task soon seemed like a heavy burden. I decided to try Dr. Pierce's Favorite Prescription, which several of my friends praised so highly. I felt relief within a week, my appetite came back, the pains gradually decreased and I enjoyed sound sleep. Within fourteen weeks I had completely recovered my health. I seemed built up anew, my pulse, which had been weak became normal, and new life animated my entire being. I gladly endorse your medicine."

Doctor Pierce's Favorite Prescription restores weak and sick women to sound health, by curing the local womanly diseases which are generally responsible for the failure of the general health. A woman's entire being is centered in her womanly nature. When the delicate womanly organism is attacked by disease; when there is irregularity or a disagreeable drain; when inflammation burns and ulcers gnaw the general health will reflect the progress of disease, in increasing weakness, nervousness, backache, headache, loss of appetite and sleeplessness.

So sure of it is the World's Dispensary Medical Association, of Buffalo, N.Y., proprietors of Dr. Pierce's Favorite Prescription, that they offer \$200 reward for women who cannot be cured of Leucorrhea, Female weakness, Prolapsus, or Falling of Womb. All they ask is a fair and reasonable trial of their means of cure.

Dr. Pierce's Pleasant Pellets regulate the stomach, liver and bowels.

### A Physician Healed.

Dr. Geo. Ewing, a practicing physician of Smith's Grove, Ky., for over thirty years, writes his personal experience with Foley's Kidney Cure: "For years I had been greatly bothered with kidney and bladder trouble and enlarged prostate gland. I used everything known to the profession without relief, until I commenced to use Foley's Kidney Cure. After taking three bottles I was entirely relieved and cured. I prescribe it now daily in my practice and heartily recommend its use to all physicians for such troubles. I have prescribed it in hundreds of cases with perfect success." People's drug store.

### Consumption Threatened.

C. Unger, 211 Maple St., Champaign, Ill., writes: "I was troubled with a hacking cough for a year and I thought I had consumption. I tried a great many remedies and was under the care of physicians for several months. I used one bottle of Foley's Honey and Tar. It cured me, and I have not been troubled since." People's drug store.

Many persons in this community are suffering from kidney complaint, who could avoid fatal results by using Foley's Kidney Cure. People's drug store.
